WHO WE ARE.

For some neighbors, we collaborate to provide a safety net, services that help stabilize those who are vulnerable and unable to meet their basic needs. For others, we collaborate to provide the support needed to get through a tough time. And for others, we collaborate to provide a pathway to self-sufficiency and success. For all our neighbors, we are a symbol of hope, an agent for change, a leader, a convener, and an organization working to improve the quality of life for everyone in our area.

United Way of Muscatine believes that to solve any community-wide issue, it is essential that we work across sectors, therefore we focus in three main areas; **Education, Financial Stability, and Health.** In each of these areas, we invest in quality services throughout our community, lead special initiatives like Food Rescue, Summer Food Service Program, Day of Caring, Imagination Library, provide funding for kids in need, through the Kids First Fund, and help bring stakeholders together to address community-wide issues.

Last year alone, United Way of Muscatine improved the lives of more than 25,000 of our neighbors in Muscatine County.

A gift to United Way of Muscatine goes a long way to make a brighter tomorrow for everyone in our community. Our investment decisions are intentional, backed by research and data, made by trained volunteers, and approved by our volunteer Board of Directors. We invest more per capita than 98% of other United Ways in the country, and are proud of the results we deliver.

**EDUCATION** - Focuses on cradle to career strategies that provide a firm foundation at an early age and continue to help develop our children into successful adults who can contribute to our community.

**FINANCIAL STABILITY** - Individuals and families have basic emergency and needs met and move towards self-sufficiency.

**HEALTH** - Essential services for healthy lives are affordable and accessible.
